Dear Ms. Jones,

This letter is to correct the School District of Sturgeon Bay December 7th, 2021 Student Snapshot.

One student enrollment was not included in our data sent to WISEdata due to an error in the set-up of Ed-Fi in our SIS (PowerSchool) for this student. This student was selected to be excluded from reporting based on a previous home-school enrollment in a prior year. The student is now reporting data properly to WISEdata.

Please accept this data errata letter as notification of the error.

Sincerely,

Casey Manders
